Traps

Elemental Trap, Lesser

Cost: 50

As an action, you place down the elemental trap within 5ft of you and speak the activation word, which starts glowing faintly as a sign of activity. If an elemental weaker than the trap's power and of the corresponding element moves over the trap, it will activate a trap that restrains the elemental. They must succeed a DC 14 Strength saving throw or be restrained. A restrained elemental may repeat its saving throw at the end of its turn, destroying the trap on a successful save.

Elemental Trap

Cost: 500

Like Elemental Trap, Lesser, but with a DC of 16

Elemental Trap, Greater

Cost: 5000

Like Elemental Trap, Lesser, but with a DC of 18
